Patent Application of Walter Kelly for "The Universal Sports Towel"

continued page - 11

ABSTRACT

The Universal Sports Towel is made out of a fabric that absorbs moisture from the body, such as a towel.

It's worn on the body for the sole purpose of absorbing moisture and water.

It's shape is rectangular and it comes in different lengths and widths.

Fig 1 shows a U shape in the center of the slightly oval neck line

Fig 2 shows a slightly oval shape of the back panel

Fig 3 shows where fasteners are placed

Fig 4 shows the detachment of the article

Fig 5 shows where the panels are sewn together

Fig 6 shows the back panel

Fig 7 shows the front panel

Fig 8 shows the opening for the head

1.136(a) or (b). In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabeled drawing figures, is required. A copy of the drawing figures showing the proposed changes in red ink should accompany with any drawing changes. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.
